NATURAL RESOURCE CONSULTING AND APPRAISAL

Forest Research, LLC is located in Orono, Maine. We provide appraisal and consulting services to a range of organizations and individuals. We specialize in forestry and natural resource projects.

We can conduct a range of consulting assignments, such as forestland appraisal projects, timber price studies, and economic analyses.

Our background and professional network provides opportunities for successfully completing projects, both large and small.

We work closely with our clients and our services are confidential.

KEY FEATURES

Independent Research and Analysis

We are independent -- we aren't affiliated with an investment company, land manager, or brokerage.

Land and Forestland Appraisal

We are equipped to appraise timberland, forestland, and rural land, including conservation easements.

Forest Economics and Policy Studies

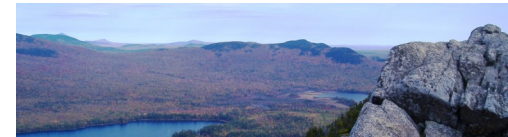

We can complete a range of studies, from timberland investment returns to bioproducts studies.

Timberland Portfolio Analysis and Due Diligence

We have experience in analyzing timberland investments, on their own or in a larger portfolio.

We Provide Quality Results

We are a small, focused company with years of experience. The success of your project is our priority.

CERTIFIED AND LICENSED

We work with a range of other organizations and individuals. If we can't help you, we can recommend a professional who can.

We recommend using properly licensed professionals. Our credentials include:

Maine Certified General Appraiser

Maine Licensed Forester

New Hampshire Certified General Appraiser

Pennsylvania Certified General Appraiser

Current credentials are listed on our website:
